Product Code: 13903

R426 ~~R457~~

When drive manufacturers test their products, they use Verbatim media. It’s the global No.1 for a reason – guaranteed quality!

Due to the extensive research and development undertaken over the past 50 years, Verbatim is able to provide the highest quality discs which ensure that all your data will be safely stored and will last a lifetime.

Long Lifetime

Optical discs provide the best solution for long-term safe and secure storage of your important files - ideal for all your precious photos, videos and documents that you want to keep forever. They are dust and water resistant and can withstand wide changes in temperature and humidity.

Multiple-uses

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Verbatim rewritable discs can be written and rewritten over and over again. SERL technology allows continual rewrites without the loss of quality or sound degradation.
