### All-in-one for business

Level up your business productivity without blowing your budget with Galaxy Tab A9+, featuring an engaging 11" screen, upgraded chipset, long-lasting battery life and plenty of storage.

### A big screen your whole team can see

There's lots of room for your team to be productive on a bright, engaging 11" screen. A refresh rate of up to 90Hz makes every experience feel smooth—it's great for videoconferencing, presentations, demonstrations and more.

### Rich sound all around

From video calls to important notifications, hear everything clearly thanks to quad speakers powered by Dolby Atmos. Galaxy Tab A9+ delivers an audio experience your ears will thank you for.

## **Power for all you do. Storage for what's important.**

Get the performance you need for your workday. Multitask, videoconference and more with an upgraded chipset. Keep all your important work files together with up to 128GB of storage and microSD support.

## **See and use multiple apps at once**

Open multiple apps at once and accomplish more seamlessly. Bounce between the things you need to do like a multitasking pro—browse on the internet, check your email and jot down your notes all on one screen.

## **Keeping your data safe and secure**

When it comes to business, there's no room to compromise on data security. Knox Security protects your device, your data and your clients' data from the chip up and keeps passwords, biometrics and other sensitive data secure from even the most sophisticated hackers.

## **Slim. Light. Durable.**

Carry your Tab easily with a slim, light design that's also durable. Galaxy Tab A9+ is the perfect blend of performance and portability to help you stay productive wherever you go.

## **Send files in a flash**

Sharing files with team members has never been easier with Quick Share. Select the file you want to share on your device—from a client's invoice to a presentation. Then easily transfer the file to another device whether it's Android or iOS.

## **Present from your Tab to your TV**

Smart View helps you take your business to the next level. Easily cast your work projects and presentations from your Tab to your Samsung TV. It's a great way to see the finer details in spreadsheets, legal documents and more.

## **Keep the conversation going**
