

Seagate Enterprise Exos X20 internal hard drive 20 TB 7200 RPM 3.5" SAS

Model: ST20000NM002D

Manufacturer: SEAGATE

Product Code: 13966

R19,590 ~~R21,027~~

Delivering maximum storage capacity with the highest rack-space efficiency.

Scalable. Responsive. Innovative.

Powerful performance with proven technology — Seagate’s Exos X20 drives are built off the platform that’s shipped millions globally and deployed in leading cloud service provider solutions — making them the most sought after drives in our datasphere. Designed with the highest rack-space efficiency and protected with Seagate Secure, Exos X20 offers extreme market-leading capacity, earning customer confidence by delivering trusted peace of mind.

Superior Reliability

Enterprise-class drives with a 550 TB/year workload rating and 2.5M-hr MTBF to meet the most demanding storage requirements.

Customisation Power Options

PowerChoice and PowerBalance for optimised power consumption when in use and idle — customisable to fit your needs.

Amazing Performance

Advanced write caching coupled with up to 285 MB/s data transfer rates provides a boost in performance without compromising on capacity.

Advanced Data Security

Password protection and AES-256 hardware encryption with Seagate Secure — for drives you can depend on.
