QNAP TS-433eU NAS Rack (1U) Cortex-A Cortex-A55 4 GB 0 TB QNAP Turbo System Black

Model: TS-433eU

Manufacturer: QNAP

Product Code: 143320

R15,565 ~~R16,946~~

The closer your data storage is, the faster you can access your data or applications! The TS-433eU with its sleek 1U short-depth rackmount design fits perfectly in tight spaces, making it ideal for flexible deployment. Deploy the TS-433eU closer to your operations to effortlessly create edge storage, and enjoy intelligent file management, secure backups, and seamless Docker container applications.

Space-saving

Flexible deployment for installation in small media cabinets or wall-mounted network racks.

Powerful yet energy-efficient

The ARM Cortex-A55 quad-core processor with 4GB RAM uses up to 80% less power than similar x86-based NAS.

AI image recognition with NPU acceleration

The built-in NPU enhances AI-powered face recognition and accelerates subject identification in QNAP’s QuMagie smart album.

Dual 2.5GbE as standard

Attain faster data transfer and backup speeds by enabling Port Trunking or SMB Multichannel.

Easy storage expansion via USB

Connect a QNAP short-depth USB JBOD TR-004U to the TS-433eU to support up to 144 TB capacity (using 24 TB HDDs in RAID 5).

Backup and snapshot protection for peace of mind

Centralize all data backups to TS-433eU and regularly create snapshots to safeguard your data against ransomware threats.
