

Targus Notebook & USB 2.0 4 Port Hub Combo mouse USB Type-A Optical 800 DPI

Model: B0220

Manufacturer: TARGUS

Product Code: 14705

R472 ~~R523~~

The Targus Notebook Optical Retractable Mouse and USB 2.0 4 Port Hub Combo is the second Targus combo solution available in the market today. This unique product includes a mouse & hub .The compact form factor makes it easy to use wherever work space is limited, such as on airline fold-down meal trays or even on the wrist-rest panel of a notebook computer. Plug and play functionality means there is no need to load software drivers when installing it on a computer. A perfect all-in-one solution.

Key features:

- High resolution 800-dpi: for precision and accuracy
- USB 2.0 hub: 4 port hub with high speed data transmission
- Plug and Play capability: provides ease of use
- Portable design - small, lightweight design offers flexibility for mobile users
