The Targus Atmoshphere Roller is the ideal case to transport luggage and notebooks. The case is designed to fit notebooks with 15" - 15.6" screens, and is constructed with a durable 840D nylon fabric. It also contains a padded notebook compartment with padded honeycomb frame which provides protection for your notebook. The roller comes with a functional zip down workstation which includes a business card holder, 3 pen loops, key clip, multiple accessory pockets and a padded protective notebook sleeve with an elastic security strap and locked zippers for added protection. Like the rest of the range, a "Reception Blocker" pocket is also included. This case is ideal for the avid traveler and includes two removable zippered mesh accessory pockets for additional storage as well as a 40” locking trolley handle and durable urethane wheels for a smooth roll. The ergonomic design of this case makes it easy to transport. A moulded handle allows for maximum distribution of
