Targus Micro Travel USB 2.0 4-Port Hub 480 Mbit/s Black

Model: ACH65EU

Manufacturer: TARGUS

Product Code: 14839

R175 ~~R191~~

The Micro travel USB 2.0 4-Port Hub is one of the most compact and lightweight designs on the market. It is the perfect solution for any mobile user, enabling the connection of multiple USB devices 2.0 devices. Complying with USB 2.0 specifications the Micro USB 4-Port Hub is ideal for the majority of PCs (desktop and notebook) that are equipped with a USB 1.1 or USB 2.0 compliant port. The hub has no cable and connects directly to the USB port of a PC, pocket PC, tablet PC or hand-held PC. The flexible swivel port rotates up to 270 degrees providing the maximum flexibility to all your connected devices. With no external power requirements, what could be simpler!

High speed connection: Easily connect up to four USB devices to your computer.
Notebook powered: hub draws sufficient power from your notebook: AC adapter is not required.
Flexible: Built – in swivel connector rotates up to 270 degrees to provide maximum flexibility to all your connected devices.
