NETGEAR FS116 network switch Unmanaged Blue

Model: FS116

Manufacturer: NETGEAR

Product Code: 14873

R706 ~~R784~~

N E T G E A R’s FS100 series Fast Ethernet Switches provide your LAN

with high-speed, 10/100 Mbps auto-sensing connectivity for as many as 5, 8, or 16 users. Just plug in your Ethernet cables, connect a power cord, and you’re ready to go—there’s no software to configure. Engineered without the need for internal fans, they operate silently. And each of these very compact switches is housed in a sturdy metal case for years of dependable use.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
