## Why pay more?

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Ideal for working or studying on the go, the Lenovo V15 Gen 3 offers exceptional value for an entry-level laptop. Powered by 12th Gen Intel® Core™ processors with optional Intel® Iris® Xe graphics, plus ample memory and storage. Compact and light, it’s available in Business Black with a special textured finish.

## Enhances collaboration, helps IT

As well as an expansive 15″ display with a large screen-to-body-ratio, the Lenovo V15 Gen 3 laptop boasts great connectivity, including USB-C and WiFi 6 support. It also has smart conference-call features, such as noise cancelling and background blurring, and a webcam privacy shutter. What’s more, it’s easy for IT teams to deploy, manage, secure, and update.
