

GIGABYTE GeForce RTX 5060 EAGLE OC 8GB GDDR7 3xDP 1xHDMI

Model: GV-N5060EAGLE OC-8GD

Manufacturer: GIGABYTE

EAN: 4719331356439

Product Code: 18946

R8,445

Experience powerful gaming and stunning visuals with the GIGABYTE GeForce RTX 5060 EAGLE OC 8G graphics card. This graphics card is equipped with 8 GB of GDDR7 SDRAM and boasts a memory speed of 28 Gbps, ensuring smooth gameplay and vibrant graphics in high-resolution settings. Designed for efficiency, it features a dual fan design and GIGABYTE WINDFOR cooling, keeping temperatures low during intense gaming sessions. With support for up to 4 monitors, this card is suitable for creators and gamers, allowing for immersive multitasking and expanded display setups. The advanced NVIDIA technologies such as DLSS 4 and Ray Tracing Cores enhance gaming realism and efficiency, while additional features like NVIDIA G-Sync and Broadcast cater to streamers and content creators seeking quality output.
