

GIGABYTE GeForce RTX 5050 WINDFORCE OC 8GB GDDR6 2xDP 2xHDMI

Model: GV-N5050WF2OC-8GD

Manufacturer: GIGABYTE

EAN: 4719331356743

Product Code: 18960

R6,586

The GIGABYTE WINDFORCE OC Edition graphics card is for gamers looking for enhanced performance. Featuring the NVIDIA GeForce RTX 5050 processor, this card is capable of handling ultra high resolutions of up to 7680 x 4320, making it suitable for immersive gaming experiences on multiple monitors with support for up to four displays. With 8 GB of GDDR6 SDRAM and a memory speed of 20 Gbps, this graphics card ensures smooth visuals without lag.

The WINDFORCE cooling design features dual fans and heat dissipating technologies, including composite copper heat pipes and a thermal conductive gel that work together to keep the temperature low during heavy gaming sessions. Additionally, the card is equipped with NVIDIA DLSS 4 and features like 3D Active Fan and anti-bending plate for reliable performance. Explore the capabilities of DirectX 12 and OpenGL 4.6 with this graphics card poised to take your gaming further.
