

Synology RackStation RS2423RP+ NAS/storage server Rack (2U) Ryzen Embedded V1780B 8 GB DDR4 0 TB DiskStation Manager Black, Grey

Model: RS2423RP+

Manufacturer: SYNOLOGY

EAN: 4711174724901

Product Code: 20061

R65,587

Certification: FCC BSMI VCCI RCM UKCA EAC CCC KC UL | Storage drive sizes supported: 3.5" | Processor cores: 4 | Maximum RAM supported: 32 GB | Internal memory: 8 GB | Ethernet LAN (RJ-45)

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

ports: 3 | Type: NAS | Wake-on-LAN ready: Yes | Supported storage drive types: HDD & SSD | Access Control List (ACL): Yes | Multilingual support: Yes | Ethernet LAN: Yes | Product colour: Grey | RAID levels: 1 | AC input voltage: 100 - 240 V | Processor manufacturer: AMD | Internal memory type: DDR4 | USB port: Yes | Cooling type: Active | System log: Yes | Ethernet LAN data rates: 1000 Mbit/s | Total installed storage capacity: 0 TB | Security algorithms: AES | Sustainability compliance: Yes | Rack mount kit: Yes | Storage temperature (T-T): -20 - 60 °C | Online RAID migration: Yes | Ethernet LAN data rate supported (max): 10000 Mbit/s | Operating relative humidity (H-H): 5 - 95% | RAID levels: 0 | Supported file systems: HFS+ | RAID levels: 5 | Number of storage drives supported: 12 | LED indicators: Yes | Supported file systems: exFAT | Power consumption (typical): 114.86 W | Depth: 578 mm | Built-in speaker(s): No | Memory form factor: UDIMM | Fan diameter: 6 cm | RAID levels: JBOD | Operating system version: 7.1.1 | Backup function: Yes | Supported storage drive interfaces: Serial ATA | Operating temperature (T-T): 0 - 35 °C | Processor model: V1780B | AC input frequency: 50 - 60 Hz | Power supply location: Built-in | Snapshot: Yes | Number of processors supported: 1 | Backup features: Cloud | RAID support: Yes | Operating system installed: DiskStation Manager | Installed storage drive type: No | Memory slots: 2 | Link aggregation: Yes | USB 3.2 Gen 1 (3.1 Gen 1) Type-A ports quantity: 2 | iSCSI support: Yes | Copper ethernet cabling technology: 10BASE-T | Storage drive sizes supported: 2.5" | External power adapter: No | Management protocols: SNMP | Product colour: Black | Copper ethernet cabling technology: 1000BASE-T | Copper ethernet cabling technology: 10GBASE-T | Processor boost frequency: 3.6 GHz | Height: 88 mm | Storage drives installed: No | Ethernet LAN data rates: 10 | Ethernet LAN data rates: 10000 Mbit/s | Noise level: 56.2 dB | Redundant power supply (RPS) support: Yes | Browser supported: Google Chrome Firefox Microsoft Edge Safari | Card reader integrated: No | Copper ethernet cabling technology: 100BASE-TX | Cables included: AC | PCI Express x8 (Gen 3.x) slots: 1 | Device class: Small & Medium Business | Power supply unit (PSU) capacity: 350 W | Built-in display: No | Built-in FTP server: Yes | Supported file systems: BTRFS | Processor frequency: 3.35 GHz | Supported file systems: ext3 | Supported file systems: NTFS | Backup features: iSCSI LUN | Hot-swap drive bays: Yes | Width: 482 mm | Weight: 11.9 kg | Processor family: Ryzen Embedded | RAID levels: 6 | Supported file systems: Fat | Number of fans: 3 fan(s) | RAID levels: 10 | ECC: Yes | On/off switch: Yes | Supported file systems: ext4 | Ethernet LAN data rates: 100 | Online RAID expansion: Yes | Processor generation: AMD Ryzen Embedded V1000 Series | Chassis type: Rack (2U) | Power cables quantity: 2 | Compliance certificates: RoHS | Compliance certificates: CE
