Professional headset with flexible connectivity and great sound for calls and music

Engineered for flexible connectivity, the Evolve 30 is a corded headset for professionals who want a simple and fast plug-and-play connection to a USB or jack. Features a control unit for easy call management and is certified for Skype for Business, Cisco and more. Comes with leather-feel ear cushions and on-the-ear design for all-day use.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
