## **Bigger speakers, better chipset, brilliant audio**

You'll never miss a thing, thanks to powerful leak-tolerant 40mm speakers and our most advanced digital chipset ever, delivering outstanding audio that always keeps you in the loop.

## **Noise isolation like never before**

Put on your Evolve2 65 and feel the noise around you instantly fade. Memory foam oval ear cushions and pioneering new angled design cancels 48% more of the noise around you

## **Guard your focus zone with an improved busylight**

New and improved busylight is four times more visible\*\*, allowing you to be seen from every angle, for even fewer interruptions. So you can work in peace.

## **Work wirelessly, wherever**

When you work on the go, you need a headset you can rely on. Our advanced battery efficiency technology and new digital chipset have helped us to squeeze a full 37 hours of juice from this powerful wireless headset. But there's also an optional charging stand – just in case.

## **Optimized for all-day comfort**

We designed the perfect shape using biometric measurements from hundreds of heads, added soft memory foam cushions that mold to your ear's natural contours, and assembled it using durable, premium materials.

## **Future-proof tech that gets better with age**

Upgradeable platform that will add even more value to your investment with future firmware upgrades through Jabra Xpress
