

LOGITECH H570e Stereo Teams version Headset Black

Model: 981-001431

Manufacturer: LOGITECH

EAN: 5099206122673

Product Code: 202586

R1,500

The Logitech H570e headset offers a reliable and comfortable solution for communication needs, suitable for both office settings and home use. With its boom microphone and noise-canceling capabilities, this headset ensures clear audio during calls, promoting productivity and collaboration. The adjustable headband and on-ear design provide a comfortable fit, while the leatherette earpads enhance your listening experience.

Featuring convenient in-cord volume control and mute functions, the Logitech H570e allows users to manage audio effortlessly. The dynamic equalizer and acoustic echo cancellation improve sound quality, making conversations more natural. With a 1.9 m headset cable and USB connectivity, this headset is compatible with both Mac and Windows systems, ensuring integration into various computer setups.
