Coming out of Taiwan, SEAZK started developing a style of elaborate lettering with pop culture that is heavily inspired by a mix of the local and international scene. His graffiti can be seen across the city of Taipei and his work has been displayed at various galleries. PowerColor tapped SEAZK to give the One 2 SF a unique look.

The PowerColor x Ducky One 2 SF mechanical keyboard is here to advance your gaming experience with its 65% compact size, Kailh BOX white/brown switches, and 16.8 million per-key customizable RGB lighting control.
