

LOGITECH G309 LIGHTSPEED White

Model: 910-007207

Manufacturer: LOGITECH

EAN: 5099206117877

Product Code: 202791

R2,266

The Logitech G309 gaming mouse is designed to elevate your gaming experience. Featuring the HERO 25K sensor, it delivers exceptional precision and responsiveness with a movement resolution of up to 25600 DPI. This mouse is engineered for performance, offering 6 programmable buttons and 5 profiles to customize your gameplay. The inclusion of LIGHTFORCE optical/mechanical buttons and PTFE feet ensures both durability and smooth movement across any surface.

Wireless connectivity is enhanced with LIGHTSPEED technology, providing an experience that rivals wired connections. Additionally, the G309 is compatible with POWERPLAY, offering continuous charging during play, so you're always ready for action. Whether you're a competitive gamer or simply enjoy immersive gaming sessions, the Logitech G309 is designed to meet your needs with its customizable features and ergonomic design.
