

TP-LINK MERCUSYS MR50G AC1900 DualBand WiFi router 6x Fixed External Antennas 2x GE LAN 1xGE WAN

Model: MR50G

Manufacturer: TP-LINK

EAN: 6957939000493

Product Code: 202880

R1,189

As broadband services continue developing, your Wi-Fi router also needs upgrading. This mainstream router is ready to make all your PCs, smartphones, and TV boxes run as fast as possible. Enjoy non-stop entertainment and smooth 4K streaming without any lag.

Powerful high-gain external antennas armed with state-of-the-art technology provide powerful signals throughout your home. Beamforming detects your connected devices and concentrates wireless signal strength towards them, making your connections more stable. Enjoy fast and stable Wi-Fi wherever you want it.

A traditional router has to queue up your devices when there are multiple connections on a network

at the same time, causing all-around network congestion. However, with MU-MIMO technology, MR50G communicates with multiple devices at the same time to reduce wait time and make your network more efficient.

Smart connect combines two bands into a single Wi-Fi SSID and helps your devices intelligently choose the best available band that has a stronger signal and faster speed. This keeps your devices always running optimally when you walk around your home.

Equipped with full gigabit ports, MR50G transfers data at dizzying speeds for peak performance. Connect your PCs, IPTVs, and game consoles to MR50G for robust stability.

Product Description: Mercusys MR50G V1 - wireless router - Wi-Fi 5 - desktop | Device Type: Wireless router | Enclosure Type: Desktop | WAN Ports Qty: 1 | Data Link Protocol: Ethernet, Fast Ethernet, Gigabit Ethernet, IEEE 802.11b, IEEE 802.11a, IEEE 802.11g, IEEE 802.11n, IEEE 802.11ac | Frequency Band: 2.4 GHz / 5 GHz | Data Transfer Rate: 1900 Mbps | Network / Transport Protocol: PPTP, L2TP, PPPoE, DHCP, IPv4, IPv6 | Routing Protocol: Static IP routing | Features: Access Point operational mode, firmware upgradable, virtual server support, WPS, reset button, dynamic IP mode, IP-MAC binding, MU-MIMO technology, Smart Connect, guest access, DMZ support, remote access management, IPTV support | Compliant Standards: IEEE 802.11b, IEEE 802.11a, IEEE 802.11g, IEEE 802.11n, UPnP, IEEE 802.11ac | Dimensions (WxDxH): 17.56 cm x 15.72 cm x 4.5 cm | Weight: 280 g | Manufacturer Warranty: 2-year warranty
