

TP-Link Archer AX53 wireless router Gigabit Ethernet Dual-band (2.4 GHz / 5 GHz) Black

Model: ARCHER AX53

Manufacturer: TP-LINK

EAN: 4897098683088

Product Code: 202901

R1,635

The TP-Link Archer AX53 V1 wireless router brings Wi-Fi 6 technology into your home or office, offering speed and reliability for all your Internet needs. With dual-band support, it efficiently manages network traffic, ensuring smooth streaming, gaming, and downloading across multiple devices. Security is prioritized, with WPA3 encryption providing protection against threats. The device also features four external antennas, ensuring extensive coverage and uninterrupted connectivity. Additionally, its integrated 4-port switch makes it easy to connect multiple devices directly, enhancing your network's flexibility. Whether for work or leisure, the Archer AX53 V1 is designed to meet the demands of modern high-speed Internet usage, making it a suitable choice for anyone looking to upgrade their network infrastructure.

Product Description: TP-Link Archer AX53 V1 - wireless router - Wi-Fi 6 - desktop | Device Type:

Wireless router - 4-port switch (integrated) | Enclosure Type: Desktop | WAN Ports Qty: 1 | Data Link
