

HPE Aruba 8360-32Y4C v2 Switch Bundle 32x 25G SFP+/28 4x MACsec 4x 100G QSFP+/28 Front to Back 5x Fans 2x PSU

Model: JL700C

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 190017590028

Product Code: 202906

R772,171

The HPE Aruba CX 8360-32Y4C V2 switch from Hewlett Packard Enterprise is designed to meet the demands of modern data centers. This rack-mountable switch offers advanced switching capabilities, ensuring efficient management and routing of traffic across complex network environments. With 32 ports of 25 Gigabit Ethernet and an additional 4 high-speed uplink ports, it is equipped to handle high volumes of network traffic, making it a suitable solution for businesses looking to enhance their network's performance and reliability.

Powered by a 1.8 GHz processor and supported by 16 GB of RAM and 32 GB of flash memory, the

HPE Aruba CX 8360-32Y4C V2 provides exceptional data processing and storage capabilities. Its
