

TELTONIKA NETWORKS TSW030 8x RJ45-Ports Ethernet switch

Model: TSW030000000

Manufacturer: TELTONIKA NETWORKS

EAN: 4779051841431

Product Code: 202932

R1,515

The Teltonika TSW030 is a reliable and efficient switch with a robust build that ensures optimal performance in various environmental conditions. With an operating temperature range of -40°C to 75°C and a humidity range of 5 - 95%, this product is suitable for both industrial and outdoor applications. The device features eight 10/100 Base-T ports and supports auto-uplink functionality, which simplifies connections and enhances network efficiency. Designed with user convenience in mind, the TSW030 boasts a packet buffer size of 128 KB and a non-blocking bandwidth of 20 Gbps, making it capable of handling high data loads without compromise. Its metal housing provides durability while maintaining compliance with various standards, such as IEEE 802.3u and IP30. The compact DIN rail mountable form factor ensures easy installation in diverse settings, making it a solid choice for any network setup.

Product Description: Teltonika TSW030 - switch - 8 ports - unmanaged | Device Type: Switch - 8 ports - unmanaged | Subtype: Fast Ethernet | Ports: 8 x 10/100 | Performance: Non-blocking bandwidth: 20
