

TP-LINK AX1500 Gigabit Wi-Fi 6 Router

Model: ARCHER AX17

Manufacturer: TP-LINK

EAN: 4895252503807

Product Code: 202937

R1,483

The TP-Link Archer AX17 V1 bridges and routers bring a new level of connectivity to your home network. Designed to support the demands of high-bandwidth applications, it features dual-band Wi-Fi with a 1.5 Gbps data transfer rate, ensuring smooth streaming, gaming, and downloading. With four external antennas and beamforming technology, it extends Wi-Fi coverage while focusing signal strength towards your devices, reducing interference and boosting connection quality.

Security is paramount, and the Archer AX17 V1 excels with WPA3-Personal encryption, Access Control List (ACL) support, and a Stateful Packet Inspection (SPI) firewall, providing robust protection against unauthorized access and threats. Additionally, it offers comprehensive features like parental controls and Quality of Service (QoS) to manage network access and prioritize traffic for optimal performance.

Ease of use is also a key feature, with an intuitive web interface for simple setup and management, alongside EasyMesh support for seamless network expansion. Whether for work or play, the Archer AX17 V1 is equipped to meet the needs of modern, connected homes.

Product Description: TP-Link Archer AX17 V1 - wireless router - Wi-Fi 6 - desktop | Device Type: Wireless router - 3-port switch (integrated) | Enclosure Type: Desktop | WAN Ports Qty: 1 | Data Link
