
NETGEAR GS110TP Managed L2/L3/L4 Gigabit Ethernet (10/100/1000) Power over Ethernet (PoE) Grey

Model: GS110TP-300EUS

Manufacturer: NETGEAR

EAN: 606449137644

Product Code: 203077

R4,485

The NETGEAR GS110TPv3 8-Port Gigabit PoE+ Ethernet Smart Managed Pro Switch comes with 8 PoE copper ports and 2 dedicated SFP ports for fiber uplinks. Cautious spender organizations can now deploy PoE devices with a reasonable PoE power budget of 55W. Each PoE port can provide up to 30 watts to power up the connected devices. Fanless, the GS110TPv3 supports perfectly silent desktop operation or wall mounting. The GS110TPv3 Smart Managed Pro Switch offers an easy-to-use, Web browser-based management GUI with configurable L2 network features like VLANs and PoE operation

scheduling, allowing SMB customers to deploy PoE-based VoIP phones and IP surveillance. This switch also comes with NETGEAR Insight Cloud management activation (free for the first two devices) for anytime remote management and monitoring through an intuitive app or Cloud Portal. Advanced features such as IPv4 Layer 2+ static routing including IPv6 management, ACL, DiffServ QoS, LACP link aggregation and Spanning Tree will satisfy even the most advanced small business networks. The GS110TPv3 features Energy Efficient Ethernet (IEEE 802.3az) for maximum power savings and is backed by NETGEAR’s Lifetime Limited Warranty and 24/7 support including lifetime chat.
