

EXTRALINK Kratos gigabit PoE switch 8-7 port 24V/48V 60W with power adapter 24V 2.5A

Model: EX.1025

Manufacturer: EXTRALINK

EAN: 5902560361025

Product Code: 203095

R2,491

The BATNA Extralink KRATOS switch offers robust networking capabilities with a compact desktop form factor. Featuring 8 ports, including 7 PoE-enabled 10/100/1000 ports and 1 uplink port, it caters to diverse connectivity needs while ensuring efficient power distribution with a maximum PoE power of 30 W. Its compliance with IEEE 802.3af and FCC standards ensures reliable performance for various applications. Designed for versatility, it operates effectively in temperatures ranging from 0°C to 40°C and offers storage conditions between -40°C to 70°C, making it suitable for a variety of environments. Alongside its operational parameters, the KRATOS switch includes indicators for monitoring status, enhancing user experience and management. With a wide humidity operating range of 10 to 80% and storage range of 5 to 90%, it is equipped to handle fluctuating conditions.
