

HPE Aruba 6200F Switch 24G Class4 PoE 4SFP+ 370W EU en

Model: JL725A#ABB

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 190017408514

Product Code: 203103

R93,940

The HPE Aruba 6200F 24G Class4 PoE 4SFP+ 370W Switch is designed to meet the demands of modern network environments. It features a powerful 1.8 GHz ARM processor and advanced Layer 3 switching capabilities, providing both high performance and efficient network traffic management. With 24 RJ-45 ports for 10/100/1000 Base-T connections and 4 SFP+ ports, this switch offers flexible connectivity options for various networking needs.

The switch's 370 W PoE budget allows for direct power supply to PoE+ devices, reducing the need for additional power sources and simplifying installations. Its compact, rack-mountable form factor, occupying only 1 rack unit, along with its stackable design, makes it an ideal solution for space-constrained environments looking for scalable network infrastructure. Whether you're upgrading an existing network or building a new one, the HPE Aruba 6200F switch provides the reliability, performance, and flexibility needed to support your network's growth.

Product Description: HPE Aruba 6200F 24G Class4 PoE 4SFP+ 370W Switch - switch - 28 ports -
