

HUAWEI S5735-L48P4XE-A-V2 48x10/100/1000BASE-T Ports 4x10GE SFP+ Ports 2x12GE Stack Ports PoE+ 1xAC Power

Model: 98012120

Manufacturer: HUAWEI TECHNOLOGIES

EAN: 6901443422258

Product Code: 203231

R38,284

The Huawei CloudEngine S5700 Series S5735-L48P4XE-A-V2 is designed for high-performance networking with ample features and a reliable build. Built to withstand varying environmental conditions, it operates from -5°C to 50°C, making it suitable for diverse setups. With a total of 52 ports, including 48 PoE+ ports and 4 10 Gigabit SFP+ ports, this switch supports both Gigabit and 10 Gigabit Ethernet, offering versatile connectivity options for modern networks. Its robust metal housing and efficient cooling system ensure durability and performance longevity, crafted to maintain operational reliability with a mean time between failures (MTBF) of over 46 years. With PoE+ functionality, the switch provides power to connected devices, simplifying network
