Put it together. Pull it apart.

- Work using a keyboard then switch to tablet in one move. Effortlessly attach and detach your tablet to and from its keyboard thanks to the durable, mechanical hinge design.
- Interact and work in a more engaging way with multi-touch gestures.
- Say goodbye to whirring fans. Your system runs quietly, with no noisy hardware or unsightly vents, thanks to an innovative design that eliminates the fan.

Power to perform.

- Work efficiently with this Windows 8.1 tablet with Intel Core processors and solid-state drives.
- Start up and switch applications by touch, with the quick and fluid Windows 8.1.
- Keep up with your most demanding tasks with the speed and responsiveness of a 4th generation Intel® Core™ i3/i5 processors.
- Meet the lightning-fast solid-state drives that can keep up with your every demand. Quick and efficient, an HP solid-state drive helps you work through tasks without stops or stalls.

Impressive audio and visual experience.

- Enjoy clear, bright web chats with a difference you can see and hear, thanks to dual webcams, an HD display, and Beats Audio™.
- Designed for a rich and immersive audio experience.
- Dual Full HD Webcams capture all the details with vibrant clarity, even in low light.
- Connect wirelessly to your WiDi ready devices.
- Sync, photos and music with HP Connected Photo and HP Connected Music.

HP Support.

- Enjoy always-on self-help support built right into your PC, for the life of your PC, included.
- HP Care Pack with Accidental Damage Protection helps you avoid out-of-pocket repair or replacement costs and delivers service right to your door.
- Relax. You're backed by expert support when you extend and expand beyond your standard warranty with HP Care Packs.
- The embedded Trusted Platform Module 1.2 (TPM) provides hardware-based encryption keys to help secure your data, email and user credentials.
