

HP t410 1 GHz Smart Zero 638 g Black Cortex A8

Model: H2W23AA#ARL

Manufacturer: HP INC.

Product Code: 203338

R9,095

Zero management. Zero configuration. Zero compromise. Built with intuitive, auto-sensing technology for client virtualization environments that demand PC-like performance with simple deployment set-up and flexible protocol support.

Features

Dual display connections

- Featuring support for a native dual-digital monitor set-up through integrated DisplayPort and VGA connectors. Experience HD quality with single or dual display resolutions up to 1920x1080.

Impressive performance, innovative design

- Maintain PC-like performance in a small footprint with a Texas Instruments TMS320DM8148 ARM® Cortex™ processor, 1 GB DDR3 SDRAM and 2GB eMMC Flash memory capacity.
- Featuring DSP Acceleration for RemoteFX, PCoIP and ARM® Neon extensions for Citrix HDX System on a Chip (SoC) for a powerful, flexible user experience.

HP Smart Zero Client technology

- Automatic Intelligence, inherited by HP Smart Zero Client Services, establishes a secure desktop environment for all devices in minutes, and downloads everything it needs to deliver a robust user experience.
- If your client virtualization software changes your HP Smart Client will adapt to your environment. Simply repurpose your HP Smart Client for another protocol, saving time and money.

HP Velocity

- Reduce poor network connectivity in densely populated work environments with HP Velocity, a new HP feature. As network conditions change, HP Velocity reacts to maintain the highest quality performance.

Eco-highlights

- Benefit from traditional, PC-like performance and multimedia playback while using less energy. ENERGY STAR® qualified EPEAT® Gold registered BFR/PVC free materials Post-Consumer Recycled Plastics > 10%

Support beyond the box

- The HP t410 Smart Zero Client includes a standard, three-year limited hardware warranty in most regions. Choose from HP Care Pack Services to extend service contracts.
