HP Elite t755 3 GHz Windows 10 IoT Enterprise 1.4 kg Black V2546

Model: 5H0Y7EA#ABB

Manufacturer: HP INC.

Product Code: 203826

R22,016

The HP Elite t755 redefines efficiency and productivity in a compact package. Designed to meet the demands of modern workspaces, it combines a small form factor with the power of a 6-core AMD Ryzen Embedded processor, ensuring that space constraints do not compromise performance. With 8 MB of L3 cache and speeds up to 3.95 GHz, it effortlessly handles multitasking and demanding applications.

Connectivity is a breeze with its array of ports, including USB-C 3.2 Gen 2 and DisplayPort 1.2, making it easy to connect all your peripherals without the need for additional adapters. Security is paramount, and with the Trusted Platform Module (TPM 2.0), your data remains secure, providing peace of mind in a world of ever-evolving threats.

Whether for business or personal use, the HP Elite t755 is a smart choice for those who value efficiency, security, and sustainability.
