Model: CMFVYGTX3C-1TB

Manufacturer: CORSAIR

EAN: 843591075237

Product Code: 20644

R7,139

The Flash Voyager GTX USB 3.0 flash drive uses an SSD controller for performance that rivals solid-state drives. Files transfer at twice the speed of other high-performance USB drives, so you can manage enormous files and spend less quality time with the progress bar. It looks great, too, with sleek zinc alloy housing with aluminum accents.
