CORSAIR Voyager GTX USB3.1 256GB 440/440MBs Zinc Alloy

Model: CMFVYGTX3C-256GB

Manufacturer: CORSAIR

EAN: 843591075244

Product Code: 20645

R3,490

The Flash Voyager GTX USB 3.0 flash drive uses an SSD controller for performance that rivals solid-state drives. Files transfer at twice the speed of other high-performance USB drives, so you can manage enormous files and spend less quality time with the progress bar. It looks great, too, with sleek zinc alloy housing with aluminum accents.
