Ready for Any Task

ASUS Chromebox 5 offers outstanding performance and instantaneous response for incredible productivity. It's powered by up to a 12th Gen Intel® Core™ i7 processor that delivers blistering processing speeds to cater to the most demanding tasks. And with up to 32 GB DDR4 memory, ASUS Chromebox 5 enables easy multitasking without slowdowns.

In addition, Intel Iris® Xe graphics deliver unmatched processing power for stunning, supersmooth visuals. A PCIe® Gen 4 x4 M.2 SSD provides ultrafast data transfers and app launches.

Overall, ASUS Chromebox 5 offers an exceptional user experience that combines superior performance and cutting-edge features for next-level productivity.
