PATRIOT Xporter X550 1TB USB 3.2 Type A+C

Model: PS1TX550AAD

Manufacturer: PATRIOT MEMORY

EAN: 4711378428797

Product Code: 20745

R3,656

The Patriot Xporter X550 is a versatile USB flash drive designed to meet various storage needs. With a 1 TB storage capacity, it offers ample space for documents, photos, and multimedia files, ensuring that users can carry their important data wherever they go. The Plug-and-Play functionality streamlines file transfers, allowing for a hassle-free experience without the need for additional software. Its capless design enhances portability, and the inclusion of a keychain holder adds convenience for everyday use. With fast read speeds reaching 80 MB/s, the Xporter X550 enables quick access to data, making it an efficient solution for both personal and professional applications. Compatibility with USB 3.2 Gen 1 and USB-C interfaces ensures that this drive can be utilized across a wide range of devices. Moreover, being RoHS compliant highlights a commitment to environmentally friendly manufacturing practices, making it a reliable choice for eco-conscious consumers.
