R1,120

The Patriot Memory Xporter X550 USB flash drive is designed for those who prioritize convenience and efficiency. With a storage capacity of 128 GB, this device allows space for important files, photos, and videos. Its read rate of 80 MB/s ensures swift data transfer, perfect for users who want to save time while moving large files. The capless design and Plug-and-Play functionality means no cumbersome covers or additional software installation is needed, enhancing the overall user experience. A keychain holder feature allows for easy portability, ensuring your data is always within reach.
