

WD Red SSD SA500 NAS 2TB SATA III 6Gb/s M.2 2280 internal single- packed POWERED BY SANDISK

Model: WDS200T1R0B-68A4Z0

Manufacturer: SANDISK

EAN: 718037872339

Product Code: 20872

R9,840

The WD Red SA500 is a reliable internal solid state drive that offers a substantial storage capacity of 2 TB. With 3D NAND technology, it ensures enhanced durability and performance for constant operation, ideal for 24x7 workloads. The drive features a data transfer rate of 600 MBps and an internal data rate of 560 MBps, facilitating quick access to your data while meeting the demands of both read and write operations. Designed in the compact M.2 2280 form factor, it is compatible with various systems, providing flexibility for upgrades and expansions. The SSD has an endurance rating of 1300 TB, ensuring longevity even in challenging operating environments. With a wide

temperature tolerance and advanced recoverable error specifications, this drive is built to sustain
