4 TB, it is built to store large files while delivering speeds of up to 2000 MBps for both read and write operations. Designed for on-the-go use, it features a robust USB 3.2 Gen 2x2 interface, ensuring quick data transfer and easy compatibility with various devices. Its NVMe technology enhances performance, making it an ideal choice for intensive tasks such as video editing and data backups. This external drive is also built to withstand the elements, offering water-resistant and dustproof protection that meets IP65 compliance. Users can rely on this drive for speed and its resilience, with a shock tolerance of up to 1500 g, making it suitable for a range of environments. The integrated 256-bit AES encryption adds an additional layer of security, ensuring that sensitive data is protected wherever it goes.

Product Description: SanDisk Extreme PRO Portable V2 - SSD - 4 TB - USB 3.2 Gen 2x2 | Type: Solid state drive - external (portable) | Capacity: 4 TB | Encryption Algorithm: 256-bit AES | Interface: USB 3.2 Gen 2x2 | Features: NVM Express (NVMe), water resistant, dust-proof | Dimensions (WxDxH): 57.34 mm x 110.26 mm x 10.22 mm | Weight: 77.5 g | Manufacturer Warranty: 5-year warranty
