Think about it. Photos, movies, documents. Phones, tablets, laptops. Your digital world is made of many parts that add up fast. Because we believe that managing all these files, across all these devices, should be easy and not a burden, we designed the One Touch family of HDD's and SSD's premium portable storage to help you balance things out.

High Capacity.

Stellar Style

Refined and understated. Cosy and textured. One Touch comes in an array of styles and capacities made to compliment your signature look. And whether you're storing yearly tax documents or ever-growing collections of high-res photos, capacity won't be an issue.

It's Mini. It's Mine

Credit-card small and greyhound fast, One Touch SSD blends chic textile design with swift SSD and USB 3.0 transfers, continuous backup, plus access to awesome apps like Mylio and Adobe. The result? A personalised, on-the-go solution that lets you seamlessly scroll, edit, organise, and directly stream a huge collection of stored photos and videos.

PC and Mac Compatible

One Touch drives work interchangeably with Windows® and Mac® out of the box (reformatting may be required for use with Time Machine). Easily obtain and add an adapter to use with USB-C connections.

Convenient Backup

With One Touch SSD you can enjoy continuous auto backup, mirror folders for seamless file management, and get the effortless file protection of Sync Plus software.

With One Touch HDD, schedule automatic hourly, daily, weekly, or monthly backups to keep all your files consolidated into one place.

Whatever your backup style, One Touch offers an easy-to-use solution for you.

Manage Your Memories with Mylio Create

Enjoy a one-year complimentary subscription to Mylio Create — an intuitive and powerful app that helps organise photos into a life calendar and offers easy protection, editing, sharing, and syncing across multiple devices. (Not available in all countries.)
