

WD Blue SA510 SSD 1TB M.2 2280 SATA III 6Gb/s internal single-packed POWERED BY SANDISK

Model: WDS100T3B0B-00AXS0

Manufacturer: SANDISK

EAN: 718037884707

Product Code: 21053

R5,511

The WD Blue SA510 offers reliability and performance in a compact M.2 2280 form factor. With a storage capacity of 1 TB, this internal solid-state drive ensures ample space for essential data, applications, and multimedia files. Its internal data rate of 560 MBps for read operations and 520 MBps for write operations enables quick file access and efficient data transfer, making it suitable for everyday use and demanding tasks. Designed for durability, this SSD boasts an endurance of 400 TB, capable of handling heavy workloads and extensive read/write cycles.

Operating temperatures range from 0°C to 70°C, allowing for versatility in various systems and environments. The WD Blue SA510 is equipped with shock and vibration tolerance measures, with an operating shock acceleration of 1500 g and a vibration frequency range of 10-2000 Hz, helping
