SANDISK Professional Pro-Blade Mag 2TB NVMe SSD 20Gbit/s USB 3.2 Gen 2x2

Model: SDPM1NS-002T-GBAND

Manufacturer: SANDISK

EAN: 619659198312

Product Code: 21101

R8,146

The SanDisk Professional PRO-BLADE SSD Mag offers speed and portability, designed for users who need reliable performance on the go. With a 2 TB capacity, this solid state drive enables ample storage for videos, photos, and files, allowing seamless content creation and management. Its aluminum construction ensures durability while maintaining a lightweight profile, facilitating easy transport where needed.

Experience data transfer rates of up to 3000 MB/s thanks to the PCI Express 3.0 (NVMe) interface, making it suitable for tasks such as 4K video editing and large file transfers. This SSD is tailored to meet the needs of professionals who require both performance and convenience in their workflow, ensuring that essential data is always within reach.

Product Description: SanDisk Professional PRO-BLADE SSD Mag - SSD - 2 TB | Type: Solid state drive - external (portable) | Capacity: 2 TB | Features: NVM Express (NVMe) | Dimensions (WxDxH): 109.8
