SANDISK Professional Pro-Blade Transport Enclosure incl. 4TB NVMe SSD 20Gbit/s USB 3.2 Gen 2x2

Model: SDPM2NB-004T-GBAND

Manufacturer: SANDISK

EAN: 619659198138

Product Code: 21105

R15,263

The SanDisk Professional PRO-BLADE TRANSPORT external hard drive offers performance for users requiring robust and high-speed data storage solutions. With a capacity of 4 TB, it provides storage space for critical files and large media collections. The innovative design includes a crush-resistant casing, ensuring that your data remains safe even in demanding environments. The integrated heatsink helps dissipate heat effectively, contributing to the drive's reliability during intensive usage. Equipped with USB 3.2 Gen 2x2 technology, this hard drive supports an interface speed of 20 Gbps, allowing for rapid data transfers with a maximum rate of 2000 MB/s. The inclusion of a USB-C cable enhances connectivity options, making it versatile for different devices. Users can depend on the
