WD Black 2TB SN850X NVMe SSD Supremely Fast PCIe Gen4 x4 M.2 internal single-packed POWERED BY SANDISK

Model: WDS200T2X0E-00BCA0

Manufacturer: SANDISK

EAN: 718037891408

Product Code: 21108

R15,598

The WD_BLACK SN850X is an internal solid state drive designed for gamers and professionals seeking speed and reliability. With a storage capacity of 2 TB, it delivers an internal data rate of up to 7300 MBps, ensuring reduced loading times and smooth gameplay. The M.2 2280 form factor allows for a compact design that fits into various compatible devices without occupying much space. This drive features advanced technologies such as Game Mode 2.0 to optimize performance and predictive loading to enhance overall system responsiveness. With support for Microsoft DirectStorage API, users can benefit from faster loading times in supported games. The drive incorporates adaptive thermal monitoring and overhead balancing to ensure optimal performance
