WD Red Plus 8TB SATA 6Gb/s HDD Desktop

Model: WD80EFPX

Manufacturer: WESTERN DIGITAL

EAN: 718037899817

Product Code: 21253

R9,789

The WD Red Plus hard drive from Western Digital redefines storage with its 8 TB capacity and continuous operational capabilities, designed specifically for NAS systems. This internal hard drive integrates seamlessly into your home or small office network-attached storage setup, thanks to its NASware technology, which ensures improved reliability and performance. With a 256 MB buffer size and a data transfer rate of 600 MBps, it offers fast and efficient data processing, making it suitable for a wide range of applications.

Its robust design is tailored for continuous operation, boasting an MTBF of 1,000,000 hours to handle the demanding environments of NAS systems. The drive also features Advanced Format technology and Conventional Magnetic Recording (CMR) to provide high storage density and data integrity. Moreover, its energy-efficient design ensures low power consumption during read, write, and idle modes, making it a cost-effective solution for continuous usage. Whether for work or play, the WD Red Plus hard drive is a reliable storage solution that offers ample space, durability, and efficiency.

Product Description: WD Red Plus WD80EFPX - hard drive - 8 TB - SATA 6Gb/s | Type: Hard drive - internal | Capacity: 8 TB | Form Factor: 3.5" | Interface: SATA 6Gb/s | Data Transfer Rate: 600 MBps | Buffer Size: 256 MB | Spindle Speed: 5640 rpm | Features: Conventional magnetic recording (CMR),
