

TRANSCEND ESD410C 2TB External SSD USB 20Gbps Type C

Model: TS2TESD410C

Manufacturer: TRANSCEND

EAN: 760557864509

Product Code: 21267

R9,070

The Transcend ESD410C portable external hard drive combines durability, security, and speed into a compact and rugged design. With a generous 2 TB capacity, it utilizes 3D NAND technology and an SLC cache to provide reliable and efficient storage. The drive is exFAT formatted, making it ready for immediate use with a wide range of devices. It features a high-speed USB 3.2 Gen 2x2 interface, capable of up to 20 Gbps transfer speeds, ensuring quick and efficient data backups and transfers. Security is paramount, with 256-bit AES hardware encryption protecting your data from unauthorized access. Designed to endure, the ESD410C offers up to 3 meters of drop protection onto concrete and is water-resistant, thanks to its rugged build and compliance with MIL-STD 810G and IPX5 standards. It also includes both USB-C to USB-A and USB-C to USB-C cables, providing flexible connectivity options. Whether you're a professional in need of secure and fast data storage or an adventurer looking for a durable external drive, the ESD410C is equipped to meet your needs.

Product Description: Transcend ESD410C - SSD - 2 TB - USB | Type: Solid state drive - external
