

ADATA SD620 External SSD 1TB Black

Model: SD620-1TCBK

Manufacturer: A-DATA

EAN: 4711085945358

Product Code: 21271

R3,491

The ADATA SD620 external hard drive combines speed, durability, and convenience in a compact, portable package. With an impressive interface speed of 10.0 Gbps (USB 3.2 Gen2), it offers fast data transfer rates up to 520 MB/s, making it suitable for quick file transfers and backups. Designed to be shock-resistant, it meets the rigorous MIL-STD-810G 516.6 standard, ensuring your data is safe even in the event of drops or bumps. This hard drive is powered directly via the USB bus, eliminating the need for an external power source and enhancing its portability. It's compliant with several important standards, including FCC and RoHS, highlighting its reliability and eco-friendly design. Whether you're a professional on the go or need a secure storage solution for your personal files, the ADATA SD620 external hard drive is equipped to meet your needs.
