

WD Red SSD SA500 NAS 2TB 2.5inch SATA POWERED BY SANDISK

Model: WDS200T2R0A-68CKB0

Manufacturer: SANDISK

EAN: 718037903613

Product Code: 21277

R12,704

The WD Red SA500 2 TB solid state drive (SSD) is designed to deliver reliable performance and responsiveness in a compact 2.5-inch form factor. Built with 3D NAND technology, it boasts a robust internal data rate of 560 MBps, ensuring efficient data transfers and storage management. Its capacity of 2 TB provides ample space for documents, media files, and applications, catering particularly to users seeking a dependable storage solution for NAS systems operating continuously. Featuring an endurance rating of 1300 TB and a mean time between failures (MTBF) of 2,000,000 hours, the WD Red SA500 is a solid choice for those who require long-lasting and stable storage performance. Operating effectively within a broad temperature range of 0°C to 70°C, this SSD supports 24x7 operation, making it an excellent option for both home and business environments. The drive's advanced specifications include a data transfer rate of 600 MBps and random read/write speeds of 87,000 and 83,000 IOPS, respectively, facilitating quick access to large files. With a shock tolerance of 1500 g for non-operating conditions and a compact design, the WD Red SA500 can
