

WD Gold 4TB SATA 6Gb/s 3.5inch HDD

Model: WD4004FRYZ

Manufacturer: WESTERN DIGITAL

EAN: 718037899909

Product Code: 21280

R6,620

The WD Gold model WD4004FRYZ is designed for demanding data centers and enterprise environments. With a 4 TB capacity, it meets the high-volume storage needs of today's businesses. The drive has a 7200 rpm spindle speed and a 256 MB buffer size, ensuring rapid access and transfer rates of up to 600 MBps, suitable for data-heavy applications. Its reliability and advanced features like ArmorCache Technology, HelioSeal, and a built-in vibration sensor, provide enhanced data integrity and system stability. Additionally, the drive's environmental tolerance, with operating temperatures ranging from 5 °C to 60 °C and a sound emission of just 29 dBA, ensures it operates quietly and efficiently under various conditions. Designed to meet ROHS compliance, it also aligns with modern environmental standards. Whether for archival or operational needs, the WD Gold hard drive is a reliable, high-capacity solution that businesses can depend on.
