

KINGSTON 500GB NV3 M.2 2280 PCIe 4.0 NVMe SSD

Model: SNV3S/500G

Manufacturer: KINGSTON

EAN: 740617344806

Product Code: 21326

R2,601

The Kingston NV3 solid state drive combines high-capacity storage, rapid performance, and exceptional durability to meet the needs of demanding applications and environments. With a 500 GB capacity, it offers ample space for your data, while the PCI Express 4.0 x4 (NVMe) interface ensures rapid data transfer rates, significantly improving system responsiveness and loading times. This SSD is designed for efficiency, featuring low power consumption and a 3D triple-level cell (TLC) NAND flash memory type, which not only extends battery life but also provides a reliable storage solution. It operates within a wide temperature range, making it suitable for various operating conditions, and boasts an impressive MTBF of 2,000,000 hours, highlighting its durability and reliability. Whether for professional use, gaming, or general computing, the Kingston NV3 is an excellent choice for users seeking performance and longevity.

Product Description: Kingston NV3 - SSD - 500 GB - PCIe 4.0 x4 (NVMe) | Type: Solid state drive - internal | Capacity: 500 GB | NAND Flash Memory Type: 3D triple-level cell (TLC) | Form Factor: M.2 2280 | Interface: PCIe 4.0 x4 (NVMe) | Features: Low power consumption | Dimensions (WxDxH): 22 mm x 80 mm x 2.3 mm | Weight: 7 g | Manufacturer Warranty: 5-year warranty
