

TOSHIBA BULK N300 NAS Hard Drive internal 3.5inch SATA 14TB 512MB

Model: HDWG51EUZSVA

Manufacturer: TOSHIBA EUROPE

EAN: 4260557512913

Product Code: 21355

R8,920

The Toshiba N300 NAS is designed for high-capacity storage needs, offering a substantial 14 TB hard drive. With a data transfer rate of 600 MBps and an internal data rate of 281 MBps, it ensures efficient data handling and access. Built to operate continuously, the drive supports workloads of up to 180 TB per year, suitable for heavy-duty usage in NAS systems. Features such as the shock sensor and Rotational Vibration (RV) sensor enhance durability, while Toshiba Cache Technology optimizes performance. With a spindle speed of 7200 rpm, this internal hard drive delivers speed and reliability for demanding applications.

Its robust design accommodates various environmental conditions, operating in temperatures between 5°C and 60°C, while storage capabilities allow for temperatures as low as -40°C and as high as 70°C. Coupled with a sound emission level of only 20 dBA, it operates quietly. The Toshiba N300 NAS provides MTBF of 1,200,000 hours and excellent shock and vibration tolerance, making it a reliable solution for storage needs.

Product Description: Toshiba N300 NAS - hard drive - 14 TB - SATA 6Gb/s | Type: Hard drive - internal
| Capacity: 14 TB | Form Factor: 3.5" | Interface: SATA 6Gb/s | Data Transfer Rate: 600 MBps | Buffer
Size: 512 MB | Spindle Speed: 7200 rpm | Features: Advanced Format technology, advanced format
512e, Rotational Vibration (RV) sensor, Conventional magnetic recording (CMR), Native Command
Queuing (NCQ), shock sensor, Toshiba Cache Technology, 24x7 continuous operation, workload up to
180 TB per year | Dimensions (WxDxH): 101.85 mm x 147 mm x 26.1 mm | Weight: 705 g |
Manufacturer Warranty: 3-year warranty
