

WD Black SN7100 NVMe SSD 2TB M.2 2280 POWERED BY SANDISK

Model: WDS200T4X0E-00CJA0

Manufacturer: SANDISK

EAN: 718037893211

Product Code: 21372

R12,704

The SanDisk WD_BLACK SN7100 solid state drive offers a capacity of 2 TB, suitable for gamers and content creators who need to store large files. With an internal data rate of 7250 MBps, this drive enhances the speed of data transfers, making loading times faster for games and applications. Equipped with 3D NAND technology, it provides durability and reliability for various storage needs. The M.2 2280 form factor ensures compatibility with a range of devices, and its PCI Express 4.0 x4 interface provides performance that meets the demands of high-intensity tasks. Operating within a temperature range of 0°C to 85°C, the drive is designed to withstand challenging environments. Additionally, with an SSD endurance rating of 1200 TB, users can be assured of its longevity. The SanDisk WD_BLACK SN7100 is a choice for anyone looking to enhance their system's performance with high-capacity and efficient storage solutions.

Product Description: WD_BLACK SN7100 WDS200T4X0E - SSD - 2 TB - PCIe 4.0 x4 (NVMe) | Type: Solid state drive - internal | Capacity: 2 TB | Form Factor: M.2 2280 | Interface: PCIe 4.0 x4 (NVMe) |
