

SANDISK Extreme PRO with USB4 4TB 40Gbps up to 3800 MB/s read speed and up to 3700MB/s write speed

Model: SDSSDE82-4T00-G25

Manufacturer: SANDISK

EAN: 619659194406

Product Code: 21376

R22,789

Experience performance and durability with the SanDisk Extreme PRO 4 TB external hard drive. This portable solid-state drive utilizes a USB4 interface, allowing for rapid data transfer speeds of up to 3800 MBps. It is designed with resilience in mind, featuring dustproof, water-resistant, and spill-resistant construction, making it ideal for both everyday use and extreme conditions.

With a capacity of 4 TB, this external hard drive provides ample space for storing vital files, media, and documents securely. Its compact form factor ensures easy portability, so data can be accessed wherever needed without sacrificing performance. The SanDisk Extreme PRO is compliant with IP65 standards, ensuring reliable operation no matter the environment.
